Rebuilding family relationships

Declaration

To enable GCS Support Services staff to proceed with this referral, the service user should read or have read to them the full contents of the referral, so they understand the information given, and the document should be signed and dated.

GCS Support Services may be required to share this information with external support agencies; these agencies may include Salford or Bury Housing Benefit Departments, Previous Housing Providers, Probation Service, Social Services, Mental Health Services. The list is not exhaustive and we may also be required to consult with other agencies in order to provide the client with the necessary appropriate services. The exchange of this information will be ongoing to enable GCS Support Services to continue to provide the service to meet the needs of the service user. At times we may also use the information for service planning, monitoring service and research.

GCS Support Services is an equal opportunities, none-judgemental Supported Tenancy Service, which provides accommodation and support to individuals who meet the eligibility criteria and require a support service. The aim of GCS Support Services is to provide supported accommodation for the service user while promoting equality, empowerment and stability into their lives.

All information given about the service user will be collected so as to enable GCS Support Services to assess the applicant and ensure that the project and accommodation available is suitable to their support needs. All the information given will be held in confidence and access is available to the service user should they so require. Failure to disclose information or to provide false information may result in the referral being refused, or the loss of any subsequent accommodation offered.
